1. Water Introduction

6 mo. – 5 yrs.

3-week sessions / 30 minutes

\$26/session

This class is designed for children ages 6 months to 5 years & an accompanying adult. **An adult MUST be in the water at all times during the first few classes.** Children that are ready will participate in the last few classes of the session without a parent in the water. Classes are 30 minutes in length, meet two times per week and are taught in shallow water. Instructor to participant ratio is 1:8. This class builds swimming readiness by emphasizing fun in the water. Adults & children participate in guided classes during which children learn elementary skills such as water entry & exit, blowing bubbles, freestyle arm movement, backstroke arm movement, underwater exploration, flutter kicking & floating positions. Exit Skills needed to progress to next class are the ability to be comfortable in the water without a parent/guardian, ability to listen & take direction in a group setting, submerge face underwater and be comfortable in a front float position. After a child completes all required skills, he/she should be placed in Water Independence.

2. Water Independence

3 – 12 yrs.

3-week sessions / 30 minutes

Skills taught in this class include: retrieving a submerged object, independent forward motion using arm & leg motions, independent use of a kickboard, and floating on front and back for 5 seconds and basic water safety skills. Exit skills needed to progress to the next class is ability to propel forward independently, front float, roll over to a back float and hold for 5 seconds and swim back to start. Instructor can help propel child back to start. The second exit skill is ability to propel forward on their back with minimal support. After a child completes all required skills, he/she should be placed in Stroke Introduction.

3. Stroke Introduction

3-12 yrs.

3-week sessions / 45 minutes

\$26/session

Students enrolled should be between **3 to 12 years old**. Classes are 45 minutes in length meet two times per week and will be taught moving into progressively deeper water throughout the session. Instructor to participant ratio is 1:8. Children must demonstrate exit skills from Water Independence. (Propel forward on back with minimal support, front float, roll over to a back float and hold for 5 seconds and swim back to start, (instructor can help propel child back to start) as well as propel forward on back with minimal support.)

Skills taught in this class include: Backstroke, Elementary Backstroke, Freestyle, learn all swimming kicks, deep water entries, treading water and basic water safety skills. Exit skills needed to progress to the next class is to swim 10 to 15 yards demonstrating Freestyle, Elementary Backstroke, Backstroke, and treading water for 30 seconds. After a child completes all required skills in this class he/she should be placed Advanced Stroke Development.

4. Advanced Stroke Development

3-12 yrs.

3-week sessions / 45 minutes

\$26/session

Students enrolled should be between **3-12 years old**. Students must have passed Stroke Introduction or be competent in those skills. Classes are 45 minutes in length, meet two times per week and are taught in deep water. Instructor to participant ratio is 1:10. Children must demonstrate exit skills from Stroke Introduction (swim 10 to 15 yards demonstrating Freestyle, Elementary Backstroke, Backstroke, and treading water for 30 seconds).

Skills taught in this class include: refinement of Backstroke, Elementary Backstroke and Freestyle strokes. New skills will include: Breaststroke, Sidestroke, Butterfly, deep water kneeling and sitting dives, treading water for one minute and water safety skills. Exit skills needed to progress to the next class is to swim 10-15 yards demonstrating Freestyle, Elementary Backstroke, Backstroke, Breaststroke, Sidestroke and treading water for one minute. After a child completes all required skills he/she can be placed in Intro to Aquatics Sports.

5. Free After School Swim Class

8-18 yrs.

3-week sessions / 45 minutes

Free/session

Students enrolled should be between **8-18 years old**. Classes are 45 minutes in length, meet two times per week and taught in shallow & deep water. Class will build on swimming skills and introduce swimmers to other aquatic sports such as diving, synchronized swimming, water polo and lifeguarding skills. Children must demonstrate jumping into water over his/her head, fully submerging and swimming approximately 12 yards, turning around and traveling back to point of entry without touching the wall or assistance from others.

Clark County Training Classes and Employment

Clark County Parks and Recreation is currently recruiting individuals 15 ½ years and older for the 2016 summer season. Training is at a reduced rate (\$70 for Lifeguarding and \$80 for WSI certification) for those who sign an employment contract, (\$175 for Lifeguarding and \$210 for WSI certification) for others. Positions available from \$9.50 hr. - \$10.50 hr. depending on experience and certifications. Applications are available online at www.clarkcountynv.gov/depts/parks. Clark County is an Equal Opportunity Employer.

Registration

You may sign up at any Clark County Community Center for the classes listed below or sign up online at www.clarkcountynv.gov/parks

Wait List

If the class you are interested in is full please ask to be added to the Wait List. All participants on wait list should attend the first class ready to swim and be ready to participate in case of no shows; phone calls will NOT be made to remind you to attend. If you are admitted into the class, you must pay in full that day.

Lifeguard Prep Class @ Hollywood Aquatics Center

Course fee is \$10. This is the perfect class for those who want to be a lifeguard, but aren't sure if you are ready. Trained staff will work with students to prepare them to pass pre-requisites for entry into the lifeguard training class. After the class, students who come to practice continue to get pointers from staff until they pass the test. Students should come to class prepared to swim.
